NDPC
PO BOX 1395
BISMARCK, ND 58502-1395

INTRODUCTION: The following is a guideline for establishing membership dues to the North Dakota Petroleum Council. While the guideline is the recommended means to calculate dues for a prospective member, the Board of Directors reserves the right to negotiate a different rate for any prospective member and may consider other factors, such as company size, number of employees, offices in the state of North Dakota, gross income, or any other factor the board deems appropriate for consideration.
This is a minimum suggested dues schedule.

I. Oil and Gas Companies

Total production is equal to the net amount of barrels of oil produced plus net gas production converted to BO by 10 MCF to 1 BO

PRODUCTION	NDOGA DUES RATE
4,000,000 and Above	To Be Negotiated
3,500,000 to 3,999,999	$10,000
3,000,000 to 3,499,999	$9,500
2,500,000 to 2,999,999	$8,500
2,000,000 to 2,499,999	$7,500
1,750,000 to 1,999,999	$6,500
1,500,000 to 1,749,999	$5,500
1,250,000 to 1,499,999	$4,500
1,000,000 to 1,249,999	$3,500
900,000 to 999,999	$3,000
800,000 to 899,999	$2,500
650,000 to 799,999	$1,800
500,000 to 649,999	$1,500
300,000 to 499,999	$1,250
0 to 299,999	$1,000

Any operator, small oil and gas company, or individual who participates in production, but does not come within the production definitions above, will contribute the **membership rate of $800.**

Dues schedule continued on back…

II. Pipeline Companies	**To be negotiated with each company**
