## Excellence in Safety Award

The award for Excellence in Safety recognizes a company or individual that has gone above and beyond to create a culture of safety in the workplace through policies, new technologies or products, advanced training or other initiatives. NDPC member companies that have shown measurable results in safety through a new initiative or a long-term, sustainable program are eligible to apply.

## Environmental Stewardship Award

The Environmental Stewardship Award recognizes an NDPC member company that demonstrates a commitment to cleaner, more efficient operations or that helped improve habitat, grasslands, waterways, parks or through other conservation efforts. Companies that can provide measurable results of a long-term, sustainable culture or specific initiatives or programs that show a commitment to environmental stewardship are eligible to apply.

## Community Engagement Award

The Community Engagement Award celebrates the spirit of community in the Bakken. This award will recognize an NDPC member company or individual who embodies this spirit by working to build better relationships through company culture, programs, events or other initiatives that bring industry and stakeholders together. To be eligible, this company or individual must display a commitment to investing in the community through education about the industry, community service, or coordinated events or activities aimed at community outreach.

# 2021 MEMBERSHIP AWARDS

**CALL FOR ENTRIES** - The North Dakota Petroleum Council is seeking nominations for the 2021 NDPC Membership Awards. The winners will be honored at the NDPC Annual Meeting scheduled for September 21-23, 2021 in Watford City, ND. You may apply on your own behalf or nominate another program. On the nomination form you will find the three different categories: safety, environmental stewardship, and community engagement. Please choose one that best fits your nomination and provide a brief summary of the program or initiative being nominated. For any questions or additional information, please contact Lynette Norbeck at 701.223.6380 or [ndpc@ndoil.org](mailto:ndpc@ndoil.org). Nominees must be NDPC members or employees of member companies. **Nominations must be submitted by August 20th.**

To enter, fill out the form below, and briefly describe the nominated program, company, individual or initiative on a separate attachment. Please limit your summary to three pages or fewer. Key points to include your project summary:

- Describe any contributions made to the respective category (safety, environmental stewardship or community relations).
- Provide any examples of successes or measurements to show the success in the respective category (i.e. safety statistics, waste reduction, transparency in reporting, philanthropic contributions, etc.).
- Describe how this has impacted your company culture and how it has helped make the industry a safer, cleaner and/or more socially responsible citizen in the state of North Dakota.
